ABOUT US ...

Naveno Woollens (1980) and Uttam Spinners started as a middle order company , and with their passion and futuristic vision created BALAJI LOOMTEX PVT. LTD. which has now become an internationally renowned blanket manufacturing company with the brand name GULMOHAR .

A brand that brings affordability, design and comfort for people all over the world . We may have come a long way since our humble beginnings, but our vision remains the same : to create a better everyday life for the people and provide them comfort and luxury through our means of manufacturing the finest of blankets and bedding sets.

GULMOHAR VISION AND VALUES ...

- . Inspired by our vision and driven by our values, we're passionate about life at home.
- . We strive to manufacture products measured with the latest home fashion trends and be the leading manufacturer of the finest blankets crafted with precision .
- . We aspire to excel in service , to our customers and associates .
- . Building goodness in every product to make sure our customers experience their most valuable and cherishing moments with our products , making our brand GULMOHAR a part of memories for years to come .
- . We celebrate our clients , supporters, and staff by acknowledging what makes them unique and fostering an environment where we can grow, and do our best work .

MAKING IT REAL AND NEVER STOP GROWING ...

- . We find sustainable ways to turn our customers and associates ideas into tangible, high - quality products. The moment we give an idea attention, we bring it to life as quickly and efficiently as we can. We don't over-complicate things. Instead, we work efficiently and overcome obstacles. We hold ourselves accountable to these goals and believe there is a thoughtful, creative solution to every problem.
- . In order to become better versions of ourselves, we know we must take risks and get comfortable with being uncomfortable. Those practices expand our abilities, and allow us to fully embrace change. We maintain a creative environment where our team can be ambitious and not fear being wrong. When we aim high, mistakes are inevitable, but they teach us lessons and lead us to even greater accomplishments.
- . Togetherness is the key to success . So we tend to give the best services and deals to our trading partners to ensure their growth and prosperity .
- . Our presence is felt in 1200+ stores and the leading e-commerce portals, and we continue to dominate the market with our vision and values .

PIXEL

"Bits of Elegance in a Pool of Luxury"

ABOUT THE PRODUCT ...

The latest fashion trends come with a touch of luxury and comfort, and so does Pixel. But what adds more to it is the ease of use. With elasticity being an important feature this collection is just the perfect choice for comfort lovers. No more creases, no more lifting up of bedsheets. Simply stretch it to all the corners and they'll make a perfect match with your mattress. Even when you wake up after having a good night sleep, you'll find it still holding its ground, so make your nights cozy and restful, and your mornings easy and happy, with less to bother about.
